

# Adolescent and Young Adult T1D Talk Q and A with Jordan Morris

March 10th  
3 - 5 p.m.

The Ninety  
406 Occidental Ave. S.  
Seattle, WA 98104

Jordan Morris has managed his Type 1 Diabetes since he was nine. Please join us for a Q and A with Jordan as he shares his story, gives tips and tricks and answers your questions about being a young adult with diabetes.

Open to Seattle Children's and UW Medicine patients 16-21 years of age and their families.

RSVP and Questions: [endoadminassistant@seattlechildrens.org](mailto:endoadminassistant@seattlechildrens.org)
